ISG

2020 UTILITY + STREET IMPROVEMENTS

| City of Adams, MN

## Project Update

### TENTATIVE SCHEDULE

The Contractor expects to finish individual utility service work on 5<sup>th</sup> Street by the middle of next week. They will also continue working on road subgrade preparation, placement of aggregate base, and drain tile installation for 5<sup>th</sup> Street north of Bergen Street.

Removals on Water Street are scheduled for late next week. The Contractor expects to start Water Street utility work the week of September 8<sup>th</sup>.

### ACCESS, GARBAGE, AND RECYCLING

The Contractor will be responsible for maintaining reasonable access to properties during construction and for coordinating garbage and recycling pick-up and mail services. Residents and businesses are asked to mark their garbage and recycling containers with their address using tape. Please deliver the containers to their regular pick-up spot. The Contractor will move them to where they will be emptied and then return them to each property.

### CONSTRUCTION FIELD REPRESENTATIVE

ISG will have a construction field representative, Thomas Rients, on site throughout construction. His contact information is available in the Project Contacts list to the right. Feel free to reach out to him with any questions or concerns as the project moves forward.

### STAY CONNECTED

Let us know if you'd like to be added to the 2020 Utility and Street Improvements project email distribution list! Email [Bryan.Petzel@ISGInc.com](mailto:Bryan.Petzel@ISGInc.com).
